# Lisa

## *Sugar Mommy*

Lisa's packed a lot of living into her forty plus years. She's been married twice, raised four kids and now runs a successful consulting firm that she started with the divorce settlement money. She's put any thoughts of love and marriage well behind her; been there, done that. Nope, she just wants to live her life and have fun while she's still young enough to enjoy herself. When she does get that itch that needs to be scratched, she's got a stable of young studs at her service. She's a generous lady and treat them well, as long as they fill the longing deep insude her twat. Here's to a modern lady who knows what she wants and just how to get it.

These two were... running her at... decide... have both... offer.

As she got older, Lisa evolved from a shy prude into a voracious vixen.

No time to waste, our sultry MILF jumps on her personal assistant's cock. She loves to feel a nice hard cock down her throat.

She might be old enough to be his mother  
but her pussy's still nice and tight.

25/06/2025 00:00  
Sara realizes she's probably asking for it, so doesn't mind dishing out some neighborly favors if she's in the mood to play.

Getting slammed from behind is Lisa's favorite position. It took her years to be comfortable enough to ask for what she wanted.

There are a lot of ways looking to  
be great. If you're up for a challenge  
give us a call

**800-495-7466**

She also thought that eating cumi was dirty when she was younger but now she's come to love the taste of it. Can you handle a woman that knows what she wants? Give it a try!

# Rucca

## Sharing My Wife

A woman with long blonde hair is posing in a kitchen. She is wearing a red bra and a red skirt with a black fringe. She is holding the sides of the skirt with both hands. The background shows kitchen cabinets and a window.

I knew when I married Rucca, that I would never be able satisfy her sex drive by myself. She wanted it every day, morning, noon and night. Lucky for us, I'm not the jealous type and since I loved her so much I was willing to do whatever it took to make her happy. Often that meant getting one of my buddies to help get her off. She loves it of course and I find it a real turn on to know that other guys find her so attractive.

In fact when all the guys in my life  
found out about our arrangement,  
they were jumping at the chance to  
pounce on my sexy wife

SAVED BY THE BELL

Today, it's Jerry, a buddy from work  
and Rucca's eager to get a taste of  
some fresh meat.

The guys we bring home are  
always amazed at how she  
handles multiple cocks.

The best part? To-  
morrow she'll want it  
all over again. Maybe  
even late tonight.

She loves being covered in cum and I  
love granting all her desires. Care to  
give a brother a helping hand?

If you have a story about one or more of your erotic experiences, then go write ahead. You can send your stories to the Editor, Blair Publishing, Inc., 9030 W. Sahara Ave. # 422, Las Vegas, NV 89117. All submissions become the property of Blair Publishing, Inc., and up to our discretion to publish them – or not. Either way, we enjoy reading them all

"The redhead at work – you know, that busty babe with the blow job lips in payroll – fucked her in the back seat of our car," I shrugged "It was just a one time thing."

My wife stared at me "No no, you didn't. – you couldn't."

"She came onto me, things went a little too far. It won't happen..."

Pritta slapped me, hard, across the face. She's just a tiny thing, normally shy and demure and soft spoken, but she's the jealous type.

"Hey, it's nothing to..."

She stung my cheek a second time, her well-endowed chest shuddering under her tight green tank top. She glared up at me, violet eyes snooting sparks, nostrils flared and mouth open, pretty, delicate face contorted with rage.

I rubbed my cheek and she beat my chest with her little fists, then she ripped my shirt open and beat my bare chest. I let her, watching and feeling

"She sucked my cock first, by the way," I said, "before I fucked her. That's something you hardly ever..."

Pritta tore my jeans open and yanked them down. My cock sprung out and up, hard and throbbing. She slapped it one way, the other.

I grunted. But I didn't stop her.

## THE JEALOUS TYPE

Staring at my twitching erect on, Pritta shoved her skirt down, pulled her pantyhose off her slender brown legs, then she dropped to her knees and lashed my cock with the hose, at the base, winding the sheer nylon garment around and around my pulsating tool.

"I should bite it off!" she hissed at my strangled dick, spitting onto my swollen shaft.

She tied me up aching tight with

her improvised cock ring, then whacked my prick around some more, punishing me, she thought. I groaned and quivered, my knees buckling, legs gone weak. She knew I'd never strike back at her. She was such a good wife, even when she blew off steam.

We were down in our rec room in the basement of our home. It'd been a dull Saturday morning until I'd made my pronouncement. Now it was a wickedly hot Saturday morning, and getting hotter.

Pritta jumped to her feet and smacked my bare ass with the flat of her hand, jolting me and my trussed-up cock. "Why did you do it?" she

cried, whacking my cheeks

"Because she was there," I rasped, "and wanted 't bad!"

Pritta spanked me harder, grabbing onto my bound-up cock with her other hand and biting her fingernails into my purpled shaft. Her shiny black hair streamed over her face. "You fucking cheating bastard!" she screamed, flogging my ass, clawing my cock

No one would've recognized the woman now. She beat my ass with her one hand, crushed my dick with the other. My cheeks flamed, my cock so numb I could hardly feel 't anymore, my slit gasping open like my mouth

"I'll give you a fucking blowjob!" Pritta raged, finally releasing my cock, ceasing her spanking

She ran over to the small bar in the corner of the room and pulled open the mini-refrigerator, dug around in the freezer. Then she was back at my noosed prick again, on her knees, her hands full of ice cubes. She clapped her hands on either side of my shaft

"Fuck!" I yelped, the cold revenge snapping me.

Pritta pumped my cock with her ice hands. She stuck out her tongue, touching my hood, washing all around my cap—teasing and torturing me with fire and ice

I gritted my teeth and clenched my fists, shaking uncontrollably. She iced up and down my prong, cooling me off, spun her tongue around and over my knob, heating me up. Then she inhaled my hood, slid a cold hand down to my balls.

I cried out in a mixture of pleasure and agony

She tugged on my hood with her plush lips, her little hands dripping ice water, rubbing my shaft and my sack. She sucked deeper, vacating half of my dong, ice-stroking the rest. I was on fire, yet chilled; boiling, yet shivering

It could've gone on like that forever, the beautiful, wrathful woman stoking and freezing me, controlling my flow with the ice and her pantynose. So I decided to come clean

"I-I was only joking, Pritta!" I gasped. "I was never unfaithful to you, never will be!"

She looked up at me, her mouth full of my cock, her watery hands at the base and on my balls. She pulled her head back, her hands off. "Really?"

I nodded. "I just love it when you get angry," I admitted

She smiled, shyly. Then she dropped the ice and unraveled my prick

Blood surged into my cock, beat through my body. Pritta glided her lips over my bulb and right down my shaft, consuming my throbbing in her wet, pink mouth, firing me up, full-blast

I instantly jerked, jolted by pent-up ecstasy, the orgasmic dam bursting. I grabbed onto Pritta's head and sprayed my eternal love down her throat

She happily swallowed what I had to offer, this time. Like the good wife she is.

# Francesca

## *Red Hot Latina MILF*

Francesca grew up poor in Mexico and she knew very early on that her killer body was the ticket to her road to riches. Men have been giving Francesca anything her heart desired, in the hopes that they would get to sample her very special charms. This hasn't changed as she's gotten older. In fact she's doing better than ever and getting fucked every day. All she asks in return is that you get her off and contribute a little something to her retirement fund. Any takers?

These sweet curves have made men beg,  
steal and borrow.

Did we mention that  
Francesca knows exactly  
what to do to a hard cock?

This woman isn't afraid of a little hard work in exchange  
for comfort and pleasure

The men in Fransesco's life might leave  
a little poorer but never dissatisfied.

has fully deposited her assets. What

# Brooke

*I.D. Please!*

As she turned 40, Brooke was feeling a little down in the dumps even though her hot bod and pretty face made her the envy of all her girlfriends. Still, 40 isn't a milestone most women like to see and Brooke was no exception. So, imagine her delight when the guy at the liquor store said he needed to see her driver's license before he could sell her the celebratory bottle of champagne. She was so delighted she decided to reward him with a little treat.

As she peeled off her clothes, the lucky guy knew he was in for the time of his life.

Once Brooke took his cock into her mouth, he decided that he was going to card all his sexy, older clients. Who knows where it can lead?

Scout24.com

Brooke's pussy rivalled that of any  
young, little, tease.

Release: StoreMags & FantaMag

Brooke was also an expert at many positions that this guy had never tried with the younger sluts.

He toasted her tits with a boat load  
of jizz. Do you want to wish Brooke a  
Happy Birthday?

# Jessica

*Addicted To Love*

Jessica was an easy woman to love, just look at her. But she was never satisfied for long. You see, she's a woman who thrives on the initial period of a relationship when everything about your new lover is amazing and you can't seem to keep your hands off of each other. As a result, Jessica has never been able to remain faithful even though she tries, she really does. It's happened again, as she's about to run around on her new husband of only six months.

Jessica can't get over how  
good a new cock tastes.

This cock tastes better than all the rest, she thinks to herself. Then again that's what she thought about all the others at the time.

She's in ecstasy as she cums all over her  
new man's beautiful cock.

This time, it's for real, she thinks.

And just like that, Jessica finds herself thinking of that other guy at the office even though the cum on her face is still wet. We told you she was fickle. Care to see for yourself?

# Violet

*A Hair Raising,  
Good Old Time*

Violet is old enough to know that fads come and go and just like she never pursued the latest fashions, she resisted her friends' efforts to get her to go hairless. She liked the way her silky bush framed her pussy and she knew that many men appreciated the way a woman is supposed to look and feel. She ain't going to change any time soon.

Wilder's getting ready for her latest bush fan

She picked him up at the laundry where she washes her clothes. She kept noticing the way he stared at the little hairs on her dirty panties. She knew that she had a new fan.

He loved the way her bush felt on his face and cock. "I just fucked a real woman," he would later tell all his freinds.

Cleanup might be a little messier, but she does love the way the cum adorns her bush. Do you like them hairy?

# Kayla

## *Seducing Her Student*

Kayla teaches math at the local college where she's a favorite among the male student body. Although she likes teaching, what she loves most about her job is the way that being around young people makes her stay young herself. The male professors have been trying to snare this little slut for quite some time, but alas, with no success. She prefers the hard, young bodies of her students and if you study hard and make good grades, you might just get some bonus marks.

A body this fine would be  
wasted on the limp-dicked  
academics!

FromLeop.com

Nope, she likes them hard and always ready for action as she's an insatiable beast.

This lucky stud is at the top of his class and that earns him a ride underneath his teacher.

teaching methods sure have changed. Is  
this mathematics, physics or anatomy?

She'll be ready for another private lesson soon.  
Are you ready to learn?
